

OPEN POSITION

MPO EXECUTIVE DIRECTOR BRYAN-COLLEGE STATION, TEXAS

SALARY: 70-85K DOQ, plus benefits

Closing Date: Open until filled

Initial Review: March 15, 2012

The Bryan-College Station MPO is seeking an experienced transportation professional having strong communication, leadership and technical skills to lead a motivated transportation planning team for a growing community that is ideally located for easy access to Dallas, Houston Austin and San Antonio, Texas.

BCSMPO is the Metropolitan Planning Organization in Brazos County, Texas. We are located in the heart of Central Texas approximately 100 miles from Austin and Houston, and 165 miles from Dallas. BCSMPO acts as a standalone MPO and provides comprehensive transportation planning for the cities of Bryan and College Station, Brazos County and Texas A&M University. The area has an urbanized population of approximately 180,000 and a total population of almost 200,000. In addition, Bryan-College Station is the home of Texas A&M University and Blinn College, which boasts a combined enrollment of 62,000 students. Planning for this area encompasses all modes of transportation including vehicle, freight rail, transit, bicycle and pedestrian.

A bachelor's degree in regional planning, engineering or a related field, and minimum of five years of supervisory experience, or any equivalent combination of education and experience that provides the required knowledge. A master's degree may be substituted for two years of experience. AICP preferred but not required.
